# LOCATION

Clipper Boulevard, Dartford, DA2 6QB

Ideally placed to serve London and the South East, Dartford is home to some of the largest companies within the transportation and contract logistics sector.

Neighbouring businesses include John Lewis, Kuehne+Nagel, ASDA, Sainsbury's, Europa, DHL and Yodel, all benefitting from the location's excellent transport links and the park's direct access to the M25 (J1A).

London is within a 22-mile drive and can be accessed via the A2, A20 and A13, while the proposed Lower Thames Crossing will create a new link between the A2 and the M25, providing more than 90% additional road capacity across the Thames east of London.

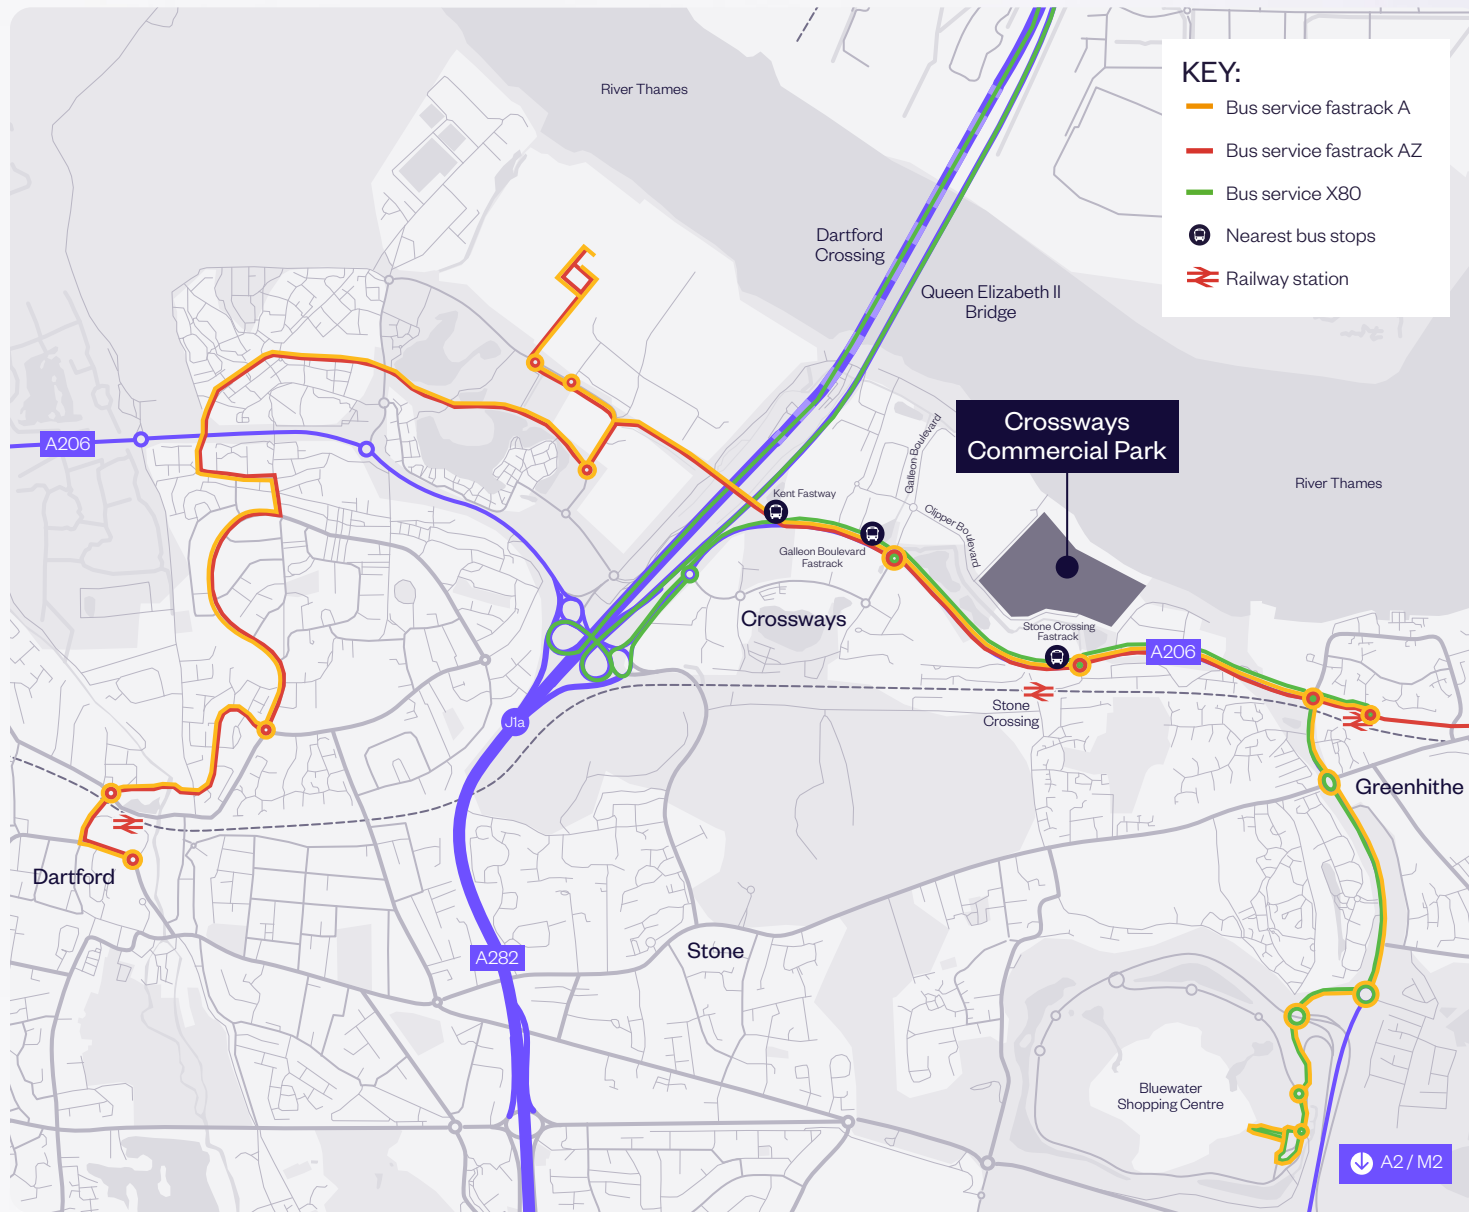

The Channel Tunnel, Port of Dover and London Thamesport are all within easy reach, with the A12 providing convenient access to the ports of Harwich and Felixstowe.
