ABOUT GOODMAN

As a specialist global industrial property group, Goodman owns, develops and manages industrial real estate in strategic locations across 15 countries.

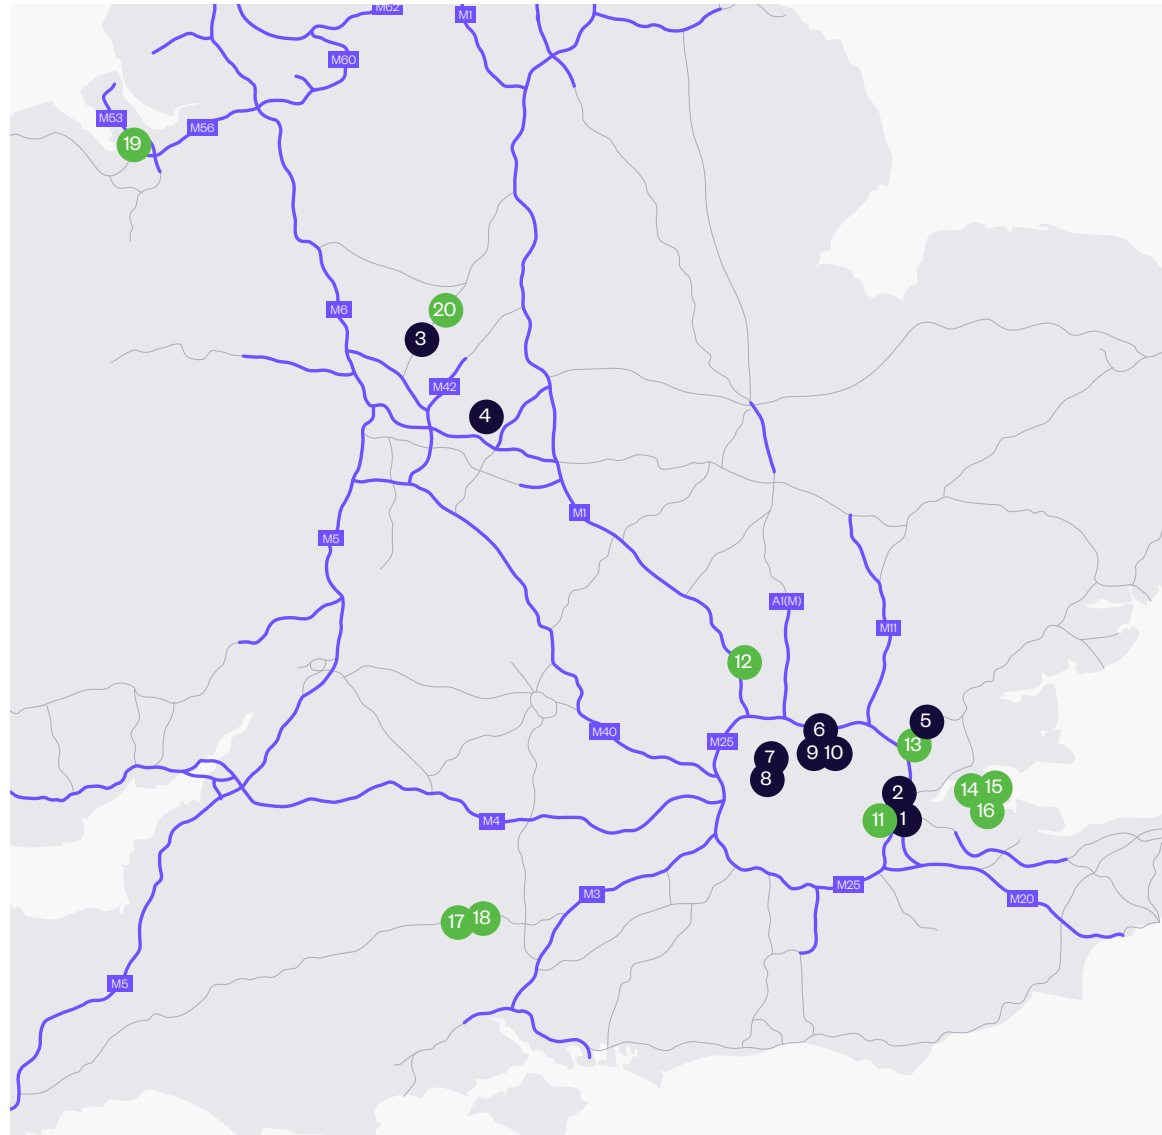

Founded more than 30 years ago, we focus on developing and managing high quality properties in key locations to benefit our customers now, and in the future, and to deliver sustainable returns for investors.

At the heart of this is our Own, Develop, Manage model - an integrated customer service offering that underpins our business and helps our customers and partners to grow and succeed.

STRATEGIC LOCATIONS

Our strategically-located employment sites offer excellent access to key transport infrastructure, including motorway interchanges, airports and ports.

PRE-LET AND BUILD-TO-SUIT OPPORTUNITIES

It's not always easy finding the right space in your ideal location. So if we don't have the right property in our existing portfolio, we'll work with you to create something entirely new.

We have an established track record of working closely with our customers to deliver sustainable developments. And we have the in-house capabilities to deliver on all aspects of the development process – from managing complex infrastructure requirements and planning expertise, to procurement and construction management.

CROSSWAYS COMMERCIAL PARK

Phase 2

Dartford, DA2 6QS

PRE-LETS AVAILABLE

Offering pre-lets from 60,000 sq ft up to 220,000 sq ft, Phase 2 at Dartford's Crossways Commercial Park offers market-leading industrial and logistics space just minutes from the M25.

Key highlights:

- + Three potential units of 126,217 sq ft, 68,558 sq ft and 128,390 sq ft have detailed consent, with the added flexibility to deliver bespoke build-to-suit options.
- + A high quality business park environment
- + All units targeting a BREEAM 'Excellent' and EPC A+ rating
- + Sustainable features including full rooftops of solar PV, solar thermal hot water, solar heating for office areas, electric vehicle (EV) charging points, infrastructure for EV fleets, rainwater harvesting and smart metering.

EAST MIDLANDS INTERMODAL PARK

A38/A50, Derby, DE65 6GX

East Midlands Intermodal Park is a new proposed strategic Rail Freight Interchange with the capacity to deliver up to 5.2 million sq ft of state-of-the-art manufacturing and distribution space.

Key highlights:

- + Designated tax site for the East Midlands Freeport – a special economic zone with the potential to increase jobs, growth and innovation
- + Strategically located between the M1 and the M6
- + Positioned on the main Stoke-on-Trent to Derby railway line, forming part of the Strategic Freight Network.
